

REFERENCES TO THE EASTERN CAPE SUMMARY REPORT

TITLE	REFERENCE NO	TRANSMITTED
Report – Continental Margin Bathymetry – Kleinmond to Cape Agulhas	1162533	√
Nuclear Siting Investigation of the Eastern Cape – Report Number 1 – The Aerial and Ground Reconnaissance of the Areas West of Port Elizabeth	1164431	√
Proceedings of the Xth AETFAT Congress, Pretoria, 1982	1164434	√
Nuclear Power Station Sites – Purchasing of Sites Eastern Cape	1150861	√
Voorgestelde Kernkragstasieterrein Verwagte Invloed op Streeksinfrastruktuur	1161457	√
Eastern Cape – Siting Study	1163120	√
Eastern Cape Nuclear Siting Study Section I and II Appendix I	1163255	√
Eastern Cape Nuclear Siting Study Appendix II	1163258	√
Regional Geohydrological Investigations of the Area between the Krom and Tsitsikamma Rivers, Humansdorp District	1163410	√
Ondersoek vir die Plasing van Kernstasies. 'n Demografiese Studie van die Thyspunt / De Hoek Gebied	1163256	√
Sundays River Preliminary Report Incorporating the Review of Literature on Geotechnical Matters	1163202	√
Streeksinvloed van Voorgestelde Kernkragstasie	2007427	√
Kernkragstasieterreine – Aankoop van Terreine	1163252	√
Regional Earthquake Risk for Eastern Cape Province	1163414	√
The Environmental Impact Control Guidelines for Land Survey and Geophysical Investigations in the Eastern Cape	1161176	√
Budget Review as at 85/10/31	1161177	√
Nasionale Ondersoek na die Identifisering en Verkryging van Terreine vir Toekomstige Eskom Kernkragstasies		√
Terreine vir Kernkragstasies		√
Uitsluitel oor die Aankoop van Terreine in die Oos-Kaap	3001741	√

Eskom NPSS Investigations in the Tsitsikamma/Cape St. Francis Area	1162473	√
Meteorological Monitoring Along the Cape East Coast During 87/01	337748	√
Meteorological Monitoring Along the Cape East Coast During 87/03	329196	√
Meteorological Monitoring Along the Cape East Coast During 87/04	338842	√
Meteorological Monitoring Along the Cape East Coast During 87/05	338851	√
Meteorological Monitoring Along the Cape East Coast During 87/06	338855	√
Meteorological Monitoring Along the Cape East Coast During 87/07	338864	√
Meteorological Monitoring Along the Cape East Coast During 88/05	336916	√
Meteorological Monitoring Along the Cape East Coast During 88/06	347521	√
Meteorological Monitoring Along the Cape East Coast During 88/07	347518	√
Meteorological Monitoring Along the Cape East Coast During 88/08	347349	√
Meteorological Monitoring Along the Cape East Coast During 88/10	348974	Not available
Meteorological Monitoring Along the Cape East Coast During the First Quarter of 1989	1163422	√
Meteorological Monitoring Along the Cape East Coast During the Second Quarter of 1989	1163665	√
Meteorological Monitoring Along the Cape East Coast During the Third Quarter of 1989	1163666	√
Geological Investigations for the Siting of NPS Site Selection Phase Progress Report No.1 – Seismicity and Structure as Reactor Site Criteria Preliminary Notes	1162443	√
Geological Investigations for the Siting of NPS – Site Selection Phase Progress Report No. 4 A Reconnaissance Gravity Survey of Selected Sites Between Cape St Francis and the Tsitsikamma River	1162457	√
Investigations for the Siting of NPS Progress Report No. 2 Land Survey Co-ordinates of Selected Sites between Cape St Francis and the Tsitsikamma River	1162442	√
Investigations for the Siting of NPS Progress Report No. 3 Land Survey Co-ordinates of Selected Sites Between Cape St Francis and the Tsitsikamma River	1162653	√
Investigations for the Siting of NPS Progress Report No. 4 Land Survey Co-ordinates of Selected Sites Between Cape St Francis and the Tsitsikamma River	1162654	√
Investigations for the Siting of NPS Progress Report No. 5 – A Preliminary Assessment of Regional and Coastal Geology From Cape St Francis to the Tsitsikamma River with the View to the Selection of Candidate Sites for a Nuclear Power Station – Part A, B, C	1163223	√

Investigations for the Siting of NPS Progress Report No. 6 - Land Survey Co-ordinates of Selected Sites Between Cape St Francis and the Tsitsikamma River	1162651	√
Investigations for the Siting of NPS Progress Report No. 7 - Gravity and Seismic Refraction Surveys on Thyspunt, Morgan's Bay and Brakkenduinen	1163664	√
Investigations for the Siting of NPS Progress Report No. 9 - A Geological Interpretation of the Detailed Aeromagnetic Survey Carried Out South of Humansdorp	1162459	√
Investigations for the Siting of NPS Progress Report No. 10 - A Seismic Refraction Survey Carried Out on the Farm Springmount in the South Eastern Cape	1163219	√
Investigations for the Siting of NPS Progress Report No. 11 - The Detection of the Klippepunt Low Angle Strike Fault by a Medium Sensitivity Aeromagnetic Survey	1162655	√
Investigations for the Siting of NPS Progress Report No. 12 - Appraisal of Faulting in the Project Area	1162446	√
Investigations for the Siting of NPS Progress Report No. 13 - Review of Existing Quarries in the Humansdorp Area	1161376	√
Investigations for the Siting of NPS Progress Report No. 14 – Results and Geophysical Interpretation of the Detailed Aeromagnetic Survey Conducted in the Coastal Area of the Humansdorp District	1163205	√
Investigations for the Siting of NPS Progress Report No. 15 – Final Report on the Geology of the Area between Cape St Francis and the Tsitsikamma River Mouth in Two Volumes – Volume I: Geological Description of the Project Area	1162454	√
Investigations for the Siting of NPS Progress Report No. 16 - Rock Mass Classification of the Bedrock at Six Sites Located between the Tsitsikamma River and Seal Point, Eastern Cape	1163663	√
Investigations for the Siting of NPS Progress Report No. 18 – Land Survey of Co-ordinates of Boreholes of the Candidate Sites De Hoek, Thyspunt, Tony's Bay, Klippepunt, Morgan's Bay and Brakkeduinen.	1162656	√
Investigations for the Siting of NPS Progress Report No. 19 – Archaeological Impact Study Undertaken at Tony's Bay and De Hoek, Cape St. Francis / Oyster Bay Coast Eastern Cape	1162657	√
Investigations for the Siting of NPS Progress Report No. 20 – Detailed Geology of De Hoek,	1163689	√

Thyspunt and Tony's Bay in Two Volumes		
Investigations for the Siting of NPS Progress Report No. 21 – Report on a Mineralogical Investigation of Samples from Thyspunt and De Hoek Near Humansdorp	1162447	√
Investigations for the Siting of NPS Progress Report No. 28 – Pumptests, Dispersion Tests and Groundwater Modelling	1162450	√
Investigations for the Siting of NPS – Executive Summary – Preliminary Geotechnical Investigations Conducted between Cape St Francis and the Tsitsikamma River During 85/03 and 86/04	1161377	√
Sunday's River Preliminary Report Incorporating the Review of Literature on Geotechnical Matters	1162652	√
NSP Site Investigations in the Tsitsikamma / Cape St Francis Area – Preliminary Coastal Engineering Study	1162658	√
Ondersoekprogram vir Kernkragstasieterreine Omgewingsinvloedbeheer Dokument Nommer 018/1185 – Omgewingsinvloedbeheer Riglyne vir Opmetings en Geofisiese Ondersoeke in die Oos-Kaap	1162445	√
City of PE – Pell Street Interchange – Joint Recommendations for Structural Repair and Strengthening	1163224	√
Regional Earthquake Risk for Eastern Cape Province	1162449	√
Report on Phase I of the Investigations to Locate Sources of Concrete Aggregate	1163121	√
