Hi Russell,

No further comment other than that contained in my e-mail dated 11/01/2011.

These are the updating of the external TIA for the KSIA DTP development and the observation that the extent and location of the proposed dedicated public transport lanes should be revisited during the final design stage.

Regards

*R. B. Lindsay*

Dear Interested and Affected Party

This correspondence serves as a reminder that the commenting period for the Environmental Impact Assessment detailed below closes next **Wednesday 20 July 2011**. Should you wish to comment, please submit your comments by email to [rstow@gibb.co.za](mailto:rstow@gibb.co.za) or by post to Russell Stow at the address detailed below.

The Main Draft EIR and layout diagrams have been attached for your convenience. Due to the size and number of the files the entire report could not be emailed. Please go to <http://projects.gibb.co.za> for the full compliment of appendices.

Regards

Russell Stow
