Thanks Mr Ryan,

I appreciate your comments and as soon as I have a detailed site plan, I will submit this to your Department for further comment.

Kind Regards,

Katherine de Jong

Subject: RE: Notification of a Basic Assessment for the Proposed Rock Phosphate Storage Facility, Richards Bay.

Hello Katherine,

I have no objections in principle to the application.

In terms of the Kwazulu-Natal Provincial Roads Act No 4 of 2001 4 copies of a detailed development plan and a covering letter is to be submitted to my office for assessment and comment.

The site plan must adhere to the following conditions.

1. No direct access to Main Road 496 (John Ross Highway) will be permitted.
2. Access is to be obtained from the west Central Arterial road.
3. No buildings or structures above or below the ground upon which it stands shall be positioned within 15m of the road reserve of Main Road 496.
4. No parking as required in terms of the Town Planning Scheme of the Municipality of service roads may be positioned within 7,5m of the road reserve boundary of main Road 496.
5. On the plan, the disposal of storm water must be indicated.

Upon receipt thereof I will comment further.

Regards,

Roy
