Dear Carolyn,

Thank you very much for your comments on the Draft Basic Assessment Report (BAR), these will be incorporated and addressed in the Final BAR for submission to the Department of Environmental Affairs. We value and appreciate all input from WESSA and Coastwatch.

Kind Regards,

Katherine de Jong
Environmental Scientist

Subject: BAR Foskor Rock Phosphate Storage Facility

Dear Katherine

Thanks for the offer of sending the appendices separately. I found the BAR very comprehensive and the information well presented hence no need for the specialist studies. Please see our comment attached.

Regards

Carolyn Schwegman
