Two whom it may concern

March 2009

Declaration of independence

I, Timothy James Graham Hart declare that I am an independent consultant working in the area of heritage consulting and impact assessment. I have no interest or connection, financial or otherwise in Eskom, other than fulfilling the requirements of the Terms of Reference of any consulting work I am asked to perform.

The Archaeology Contracts Office is part of the University of Cape Town which is an independent research and educational institution.

Please contact me if you have any further queries

Yours sincerely

A handwritten signature in black ink that reads 'TJG Hart'.
