Dear Jesse

After our recent correspondence with respect to the public participation process for the project it is with some concern that after you had assured me that Margaret Burger and Penny Rees would be included as I&APs the information with respect to the public meeting was not circulated. Also, I don't seem to have been notified of a public meeting.

Dear Jesse,

There is a Notice on Riverside Road in respect of a Public meeting on 12 December 2012, 5.30pm, City Engineers Dept., meeting room above the 6th floor to which we have **just** been alerted. The attached Notice was given to us by Abdul Karim the fruit seller at the market area opposite the Bird Park.

We, as the Umgeni Estuary Conservancy, have not been informed of this meeting via email or other means, of which I am aware.

Please could you email us the Notice of that meeting so that I am able to distribute this to our committee and members via email.

Kind regards
Margaret Burger

Dear Ms Schwegman,

We've experienced a mix up with our application and have not received a reference number from the KZN environment department yet. The public participation process has therefore not commenced. I confirm receipt of Penny Rees and Margaret Burger's contact details and will include them in the public participation database. All material relevant to this application for environmental authorisation will be forwarded to all registered I&APs.

Dear Mr Jegels

This note follows our telephone conversation of a couple of weeks ago in which you confirmed having received WESSA's request for registration in the project. It was however noted that our response was in terms of a "notification to landowners of an EIA" and the BID had not yet been circulated for public comment.

1. Please advise me of the commencement of the public participation process;
2. Contact DUCT (Duzi Umgeni Conservation Trust - Penny Rees pennyduct@vodamail.co.za) and, Margaret Burger margaret@burgerip.co.za representing WESSA Durban Branch and Umgeni River Conservancy.

With thanks –
