NOTICE OF APPLICATION FOR ENVIRONMENTAL AUTHORISATION

PROPOSED WIDENING OF 1KM OF THE UMGENI RIVER TO REDUCE FLOODING OF THE UMGENI BUSINESS PARK

The eThekweni Municipality (Coastal, Stormwater & Catchment Management) is lodging an application for Environmental Authorisation with the Department of Agriculture and Environmental Affairs (DAEA) in compliance with the Environmental Impact Assessment Regulations No. R. 543, R. 544 and R. 546 of the National Environmental Management Act (Act No. 107 of 1998), as amended.

Please note that this is a re-application of the 2006 application (EIA/6008) for which the proponent received a positive record decision but failed to implement the development within the validity period for construction commencement (18 months).

GIBB (Pty) Ltd (GIBB) has been appointed as the independent Environmental Assessment Practitioner (EAP) to compile the Environmental Impact Assessment (EIA) application and undertake the Basic Assessment Process for the above mentioned project.

Project details:

The proponent, eThekweni Municipality, are proposing to widen and canalise a section of the Umgeni River for approximately 1 km in order to reduce the flooding risk of the Umgeni Business Park. The area of concern is approximately 3 km from the river mouth on the KwaZulu-Natal shoreline. The particular river section stretches from just east of Connaught Bridge (North Coast Road, R102) to approximately 1 km upstream in a westward direction in the area of the Umgeni Business Park, eThekweni Municipality.

Public Involvement:

All Interested and/or Affected Parties (I&APs) are invited to participate by registering their comments and contact details and an indication of any direct business, financial, personal or other interest which they have in the application, by post, fax or email to:

Ms Katherine de Jong
