EIA Regulation - Sections 21 to 25

The EAP conducting the Basic Assessment process must complete the following:

- 1 Display site notices at the proposed development site
- 2 Giving written notice to:
  - The land owner and owners or occupiers of land adjacent to the site
  - The municipal councillor of the ward the site is located in and any organisation of ratepayers that represent the community in the area
  - The municipality that has jurisdiction in the area
  - Any organ of state having jurisdiction in respect of the activity
  - Any other party as required by the competent authority.
- 3 Placing advertisements in one local newspaper and one provincial newspaper

All I&APs will be given the opportunity to review and comment on draft and final reports including specialist reports and EMP.

## EMP

The NEMA EIA Regulations 33 requires an Environmental Management Programme to detail information on any proposed management or mitigation measures that will be taken to address the environmental impacts.
