

**NOTICE OF ENVIRONMENTAL  
IMPACT ASSESSMENT  
POTSDAM LOW-COST HOUSING  
DEVELOPMENT**

Notification is given in terms of the July 2006 EIA regulations as promulgated under the National Environmental Management Act (Act 107 of 1998) Section 24(5) of the intention of Buffalo City Municipality (BCM) to establish Potsdam low-cost housing development.

The project site is located to the west of Mdantsane NU15 and Fort Jackson Industrial area and south of the N2 National Road joining East London to King William's Town.

ARCUS GIBB (Pty) Ltd has been appointed by BCM as an independent environmental consultant to undertake the Scoping and Environmental Impact Assessment (EIA) for the project. Documentation detailing the project is available on request.

The public is encouraged to register as Interested and Affected Parties (I&APs) and to submit their comments in writing to Mrs Lara Giese of ARCUS GIBB (details below) within 28 days of the appearance of this advert.

Comments will be included in the EIA that will be submitted to DEDEA in support of an application for environmental authorisation.

Should you have any queries regarding the proposed development kindly contact:
