**To whom it may concern**

Dear Sir / Madam

**RE: Proposed Potsdam Less Formal Human Settlement - Environmental Impact Assessment**

This letter serves to inform you that ARCUS GIBB (Pty) Ltd has been appointed by Buffalo City Municipality's (BCM) Planning and Economic Development Division as independent environmental practitioners to undertake a Scoping and Environmental Impact Assessment (EIA) for a less formal human settlement called Potsdam Unit V in East London.

It is a requirement in terms of the new EIA Regulations as published in Government Notice No. 385 that we notify all relevant authorities of the scoping and EIA in writing.

The proposed location for the development is on erven 2569, 2876, 3183, 3481, 3814, 4145, 4473, and 4723, Potsdam, East London. The total area of the proposed site is approximately 168.77 Ha. BCM is both the landowner of the proposed site and the proponent and applicant for environmental authorisation.

For further information pertaining to the project, kindly contact ARCUS GIBB (Pty) Ltd (details above).

Please acknowledge receipt of this letter to ensure your registration on our Interested and Affected Party (I&AP) database.

Yours faithfully  
For ARCUS GIBB (Pty) Ltd
